

ATLANTA TECHNICAL COLLEGE

Alvetta Peterman Thomas, Ed. D., President

April 23, 2008

Dear Delta Epsilon Chi Career Development Conference Winners:

Congratulations on your participation in the International Delta Epsilon Chi (DEX) Career Development Conference this year!

It is my understanding that more than 1200 students from colleges and universities across the United States, Puerto Rico and Canada participated in this year's conference/competition. As Atlanta Technical College students, you represented one-third of the sixty students representing the entire state of Georgia! You are six of the nine students from Georgia who placed in the top 20 or better!

A summary of your accomplishments follows:

Lakisha Morris Stephanie Sherrer	Business Law (Team)	2 nd Place
Bobby Lucas	Financial Services	Top 10
Natasha Alleyne	Internet Marketing	Top 10
Virgil Walker	Internet Marketing	Top 10
Junior Garcia	Marketing Management	Top 10

Students Naeriyah Jo'An Daniel-Dyer, Bobby Lucas, and Deyasha Johnson were recognized with the Passport Gold Diamond Award, and the Atlanta Technical College chapter was recognized for State Membership Increase. The chapter also received the Passport Presidential Award for community leadership, service, and chapter development.

You have outdone yourselves and have set an example of excellence for all of us to follow.

Congratulations again!
